

## **SCHOLARSHIPS FOR THE SECOND MASTET CALL**

- Scholarships for two types of mobility: Degree-seeking and Credit-seeking mobility
- Degree-seeking Mobility: 2 years for Masters and 4 years for PhDs
- Credit-seeking Mobility :
  - 10 months in a MASTET partner university in a country different from the applicant's country of origin or residence
  - Each applicant must be currently registered on a PhD programme in one of the eligible universities (either Target Group 1 or Target Group 2)
- Scholarship covers:
  - A monthly subsistence allowance for the mobility period
  - A settling-in allowance (equivalent of one month subsistence)
  - Round trip ticket and visa costs
  - Comprehensive insurance (health, accident and travel)
  - An additional allowance for female students in degree-seeking mobility
